

SOUTHSIDE ELECTRIC COOPERATIVE

Your Touchstone Energy® Cooperative 

2022 Youth Tour to Williamsburg Monday, June 20 – Friday, June 24

PURPOSE:

More than 50 current high school or homeschool juniors representing electric cooperatives from Virginia, Maryland and Delaware will have a packed week of fun activities in Williamsburg and the surrounding area. Students will learn about electric cooperatives, state government and the importance of community involvement. They will also get to know and make friends with other students from the three states. Southside Electric Cooperative pays all the expenses for its students.

Activities will be dependent on the status of the COVID-19 pandemic and restrictions related to visiting sites. Trip organizers with the Virginia, Maryland & Delaware Association of Electric Cooperatives, SEC and other cooperatives are keeping a keen eye on pandemic developments. Keeping everyone safe is top priority.

ELIGIBILITY:

Any current high school or homeschool junior who lives and attends school in the 18 counties served by SEC is eligible to apply. Those counties are Amelia, Appomattox, Bedford, Brunswick, Buckingham, Campbell, Charlotte, Chesterfield, Cumberland, Dinwiddie, Lunenburg, Mecklenburg, Nottoway, Pittsylvania, Powhatan, Prince Edward, Prince George and Sussex. Students' parents or guardians do not have to get electricity from SEC.
